

Modern Luxury Aspen Reveals Your Ultimate Guide to Chic Showrooms, Visionary Designers & Timeless Interior Elegance

By Rachel Feinblatt | February 17, 2025 | Home & Real Estate, Home & Real Estate, Home & Real Estate Feature,

Immerse yourself in the dazzling world of design with *Modern Luxury Aspen* as your ultimate guide. From chic showrooms to trailblazing design leaders, we showcase Aspen's finest in interior excellence, where creativity and elegance meet in perfect harmony.

This stunning living room by Brewster McLeod Architects seamlessly integrates mountain charm with modern sophistication.

Best Innovative Wellness Solution: Altitude Solutions

Altitude Solutions offers oxygen enrichment technology to address high-altitude challenges. Founded by husband and wife H.P. and Christine Reilly, OxySpace units simulate lower elevations within the home that are adjustable on individual needs. Used in Colorado mountain communities and luxury resorts like the soon to be Four Seasons Telluride, the systems improve wellness by easing altitude sickness and insomnia. altsol.com

Best Mountain Modern Architecture: Berglund Architects

Founded in 2004 by Hans Berglund, Berglund Architects specializes in custom homes, multi-family residences, and mixed-use projects. The firm blends traditional and modern designs, focusing on mountain modern architecture while prioritizing sustainability through LEED-certified projects. berglundarchitects.com
